Street Atlas USA[®]

The Report program integrates with DeLorme Street Atlas USA[®] location map software.

This guide provides integration instructions for Street Atlas USA[®] 2003, 2004, 2005, 2007, 2008, 2009, and 2010. Please see the Street Atlas USA[®] 2006 reference guide for integration instructions for the 2006 version.

Street Atlas USA 2003 - 2007 are supported in ACI 2006 Service Pack 5 and higher versions.

Street Atlas USA 2008, 2009, and 2010 are supported in ACI 2009 and ACI 2010.

Setting Default Map Providers

Selecting a default provider for location maps enables the toolbar icon to launch the specified mapping program.

1. Click **Options > Environment > Mapping**.
2. Select *Delorme Street Atlas* from the *Create Location Maps Using* drop-down list.
3. Click **OK** to save the selection.

Generating Location Maps with Street Atlas USA[®]

1. Click **Tools > Mapping > Street Atlas USA**, or click the **Generate Map** icon () on the toolbar.
2. An instruction window opens. Click **OK** to launch Street Atlas USA[®].

NOTE: In Street Atlas USA 2008 - 2010, select a map option, *Create a New Map File* or *Open a Recent Map File*, and click **OK**.

3. Click the **Draw** tab.
4. Click **File** and click **Import**.
5. Browse to the directory C:\DeLorme Docs\Draw, select the address file (yourfilename.txt), and click **Open**. The map opens in Street Atlas USA[®].

NOTE: Select *Address Book* (*.txt, *.csv, *.tab) under *Files of Type*.

Editing the Map

Moving Markers

1. Right-click a marker and select **Manage Draw**.
2. Select an object.
3. Click and drag the address marker to the desired position.

Importing the Map into a Report

1. Click the **Print** tab.
2. Select *Page* under *Print Layout*. Select *Lock Print Center* under *Print Area*.
3. Click the **Copy Map to Clipboard** icon.
4. Close Street Atlas USA[®]. Saving the map is not required.
5. Click the **Location Map** page in a report.
6. Click **Edit > Paste** or right-click in the map box and select **Paste**, or press **CTRL+V** on the keyboard.
